

Corporate Partnership Program

Thank you for your interest in partnering with RAINN to drive meaningful and measurable progress in the fight against sexual violence. RAINN offers corporate packages to support RAINN's mission and meet your company's goals that are easy to implement while inspiring employee pride, customer loyalty, and a positive public image that reflects your commitment to corporate responsibility. Please fill out the brief form online or contact 202.516.7655. Thank you for your commitment to support survivors and end sexual violence in its many forms.

Why partner with RAINN?

- **Elevate your public image by partnering with an organization whose mission is top-of-mind for Americans.** Sexual violence and harassment has risen to the top of the national agenda in recent years. By partnering with RAINN, you'll demonstrate to your stakeholders, employees, clients, and customers that you're stepping up to be part of the change. A partnership with RAINN will positively affect your public image, while delivering vital resources and information to the employees you care about and consumers you serve.
- **Invest in an organization with a strong track record.** RAINN is the largest anti-sexual violence organization in the country. With 25 years of progress behind us, we've helped more than 2.7 million survivors and their loved ones through our victim service programs, such as the National Sexual Assault Hotline (800.656.HOPE, online. rainn.org y rainn.org/es); led national efforts to improve public policy; and continue to be the experts that policymakers and the media turn to daily on issues pertaining to sexual violence.
- **Achieve measurable impact.** We know you need a charitable partner that can show you and your constituents how you are making a difference. Your investment in RAINN's vital programs and services will be put to work immediately. In fact, 95 cents of every dollar donated to RAINN goes toward our programs to prevent sexual violence and help survivors.

Examples of RAINN corporate sponsorship models

- Financial support (the most direct way to support survivors)
- Customized or co-branded promotions and products
- Event sponsorship
- Workplace giving and employee matching
- Volunteering
- Pro bono support and expertise
