Independent Auditor's Report

To the Board of Directors of
Rape, Abuse & Incest National Network (RAINN)
Washington, D.C.

We have audited the accompanying financial statements of **Rape, Abuse & Incest National Network (RAINN)** (a nonprofit organization), which comprise the Statements of Financial Position as of May 31, 2021 and 2020, and the related Statements of Activities and Changes in Net Assets, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 8, 2021, on our consideration of **Rape, Abuse & Incest National Network (RAINN)**'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of **Rape, Abuse & Incest National Network (RAINN)**'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **Rape, Abuse & Incest National Network (RAINN)**'s internal control over financial reporting and compliance.

Rape, Abuse & Incest National Network (RAINN)

Notes to Financial Statements

1. Organization and significant accounting policies

Organization: Rape, Abuse & Incest National Network (RAINN) was organized for the charitable and educational purposes of establishing and maintaining the National Sexual Assault Hotline, National Sexual Assault Online Hotline and other services for victims; educating the public about sexual assault; and improving the criminal justice response to sexual violence. As a Voluntary Health and Welfare organization, RAINN provides direct services for victims of sexual assault. RAINN is located and operates in Washington, D.C.

Basis of accounting: RAINN's financial statements have been prepared on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when incurred.

Basis of presentation: Net assets and revenues are classified based on the existence or absence of donor-imposed restrictions and reported as follows:

Net assets without donor restrictions - net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - net assets subject to donor-imposed stipulations as to time or purpose of use or net assets subject to donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by the actions of RAINN. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions on the Statements of Activities and Changes in Net Assets. Net assets with donor restrictions for purpose and time were \$364,141 and \$585,832 as of May 31, 2021 and 2020, respectively.

Cash and cash equivalents: RAINN considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. RAINN maintains cash balances that may exceed federally insured limits. Management does not believe that this results in a significant credit risk.

Investments: Investments are stated at fair value based on published market values and consist of money market funds, common stock, exchange traded and close-end funds, and mutual funds. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Rape, Abuse & Incest National Network (RAINN)

Notes to Financial Statements

Pledges receivable: Pledge receivables are comprised of federal and nonfederal receivables. RAINN records pledges in the period which they are promised or when expenses are incurred for federal programs. Unconditional promises to give are recorded as contributions when received. The allowance for doubtful accounts reflects the best estimate of probable losses determined principally on the basis of historical experience and specific allowances for known troubled accounts. All accounts or portions thereof that are deemed to be uncollectible or that require an excessive collection cost are written off to the allowance for doubtful accounts. Management believes the balance to be fully collectible, therefore no allowance for uncollectible pledges has been recorded.

Accounts receivable: Accounts receivable for contracts are recorded when expenses are incurred or services are provided for programs. The allowance for doubtful accounts reflects the best estimate of probable losses determined principally on the basis of historical experience and specific allowances for known troubled accounts. All accounts or portions thereof that are deemed to be uncollectible or that require an excessive collection cost are written off to the allowance for doubtful accounts. Management believes this balance is fully collectible and therefore no allowance for doubtful accounts is deemed necessary.

Property and equipment: Property and equipment are recorded at the original cost and are depreciated on a straight-line basis over estimated lives of three to five years with a capitalization policy of \$5,000. Leasehold improvements to property are recorded at cost and are amortized over the lesser of the useful life or the remaining term of the lease.

Deferred rent: RAINN recognizes the minimum non-contingent rents required under operating leases as rent expense on a straight-line basis over the life of the lease, with differences between amounts recognized as expense and the amounts actually paid recorded as deferred rent on the accompanying Statements of Financial Position.

Rape, Abuse & Incest National Network (RAINN)

Notes to Financial Statements

Revenue recognition:

RAINN recognizes revenue in accordance with Accounting Standards Codification 606, *Revenue from Contracts with Customers* (“ASC 606”). The standard outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied. The five-step model is outlined below:

- Step 1: Identify the contract(s) with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

Consulting service fees – RAINN has contracts with customers to provide hotline and consulting services. Revenue from the contracts is recognized over time as the services are provided. Funds received in advance are contract liabilities and are shown as deferred revenue on the accompanying Statements of Financial Position. Deferred revenue related to service fee contracts was \$155,083 and \$247,354 as of May 31, 2021 and 2020, respectively.

The transaction price for service fees is generally fixed with no significant forms of variable consideration. Most of RAINN's contracts have components or other tasks that are considered distinct and are executed independently of one another. In these cases, RAINN has accounted for each task as a separate performance obligation. The transaction price is allocated to the multiple performance obligations using a stand-alone selling price which is based on a cost-plus margin approach.

RAINN generally recognizes revenue over time for each performance obligation and uses a variety of input and output methods. Outputs can be based upon trainings or certain other defined deliverables or, in some cases, time increments. Inputs are typically based on labor cost or hours inputs.

Contract costs – Contract fulfillment costs include the direct cost of labor and supplies. RAINN does not incur significant incremental costs to acquire contracts. Costs are expensed as they are incurred.

Sales of merchandise – RAINN sells shirts, key-chains, and other small merchandise items which include its logo or program message. Revenues from merchandise are recognized at the time of sale.

Rape, Abuse & Incest National Network (RAINN)

Notes to Financial Statements

The following revenue streams are outside the scope of ASC 606:

Contributions – RAINN recognizes all unconditional contributions received as income in the period in which the commitment is made. Contributions are reported as with or without donor restrictions depending on the absence or existence of donor stipulations that limit the use of the contributions.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

Conditional contributions are recognized as revenue when the conditions on which they depend are substantially met. Balances of conditional pledges not yet earned from non-federal sources total \$614,830 and \$1,150,977 as of May 31, 2021 and 2020, respectively. Amounts received in advance of conditions being met are recorded as deferred revenue. As of May 31, 2021 and 2020 there was \$614,830 and \$1,301,802, respectively, of deferred revenue related to conditional contributions.

Federal grants – Revenue from federal grants is considered a conditional contribution where revenue is not recorded until qualifying expenses are incurred and is recognized in amounts equal to total qualifying expenditures made during the period for the purposes specified by the grant. Amounts received in advance are recorded in deferred revenue, and revenue associated with expenditures incurred prior to receiving reimbursement are recorded as pledges receivable. Balances of conditional pledges not yet earned for federal grants total \$2,420,338 and \$3,188,105 as of May 31, 2021 and 2020, respectively.

Contributed services and gifts-in-kind – RAINN receives contributed legal assistance, media, web hosting, and technology services. Gifts-in-kind that can be used or sold are measured at fair value and recognized as contributions when received. Contributed services are those that can create or enhance a nonfinancial asset or require specialized skills, are provided by entities or persons possessing those skills, and would need to be purchased if they were not donated. These services are reported at their estimated fair value based on donor provided detail of the market value of services provided. These contributions were also expensed and reported by function on the Statements of Functional Expenses.

Rape, Abuse & Incest National Network (RAINN)

Notes to Financial Statements

Functional allocation of expenses: The costs of providing the various programs and activities have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets. Accordingly, certain costs, detailed in the Statements of Functional Expenses, have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

Expenses that are allocated include the following:

Expenses	Method of Allocation
Bank charges and credit card fees	Time and effort by department
Contractors and consultants	Time and effort by department
Depreciation and amortization	Time and effort by department
Employee benefits	Time and effort by department
Interest	Time and effort by department
Internet hosting	Time and effort by department
Liability insurance	Time and effort by department
Occupancy expenses	Time and effort by department
Postage	Time and effort by department
Printing	Time and effort by department
Software	Time and effort by department
Travel	Time and effort by department

Cash flow classification of donated financial assets: Cash receipts from the sale of donated securities with no donor-imposed restrictions are included in the operating section of the Statements of Cash Flows, while cash receipts from the sale of donated securities with donor-imposed long-term restrictions are classified as financing activities. Otherwise, receipts from the sale of donated financial assets are classified as cash flows from investing activities.

Tax status: RAINN is exempt from federal income taxes under the provision of Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

RAINN evaluates uncertainty in income tax positions based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of May 31, 2021 and 2020, there are no accruals for uncertain tax positions. If applicable, RAINN records interest and penalties as a component of income tax expense. Tax years from 2018 through the current year remain open for examination by tax authorities.

Notes to Financial Statements

Use of accounting estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events: Management has evaluated subsequent events for disclosure in these financial statements through November 8, 2021, which is the date the financial statements were available to be issued.

15. Risks and uncertainties

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. RAINN is closely monitoring its liquidity and is actively working to minimize the impact of the pandemic on its operations. Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors of
Rape, Abuse & Incest National Network (RAINN)
Washington, D.C.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Rape, Abuse & Incest National Network (RAINN)** (a nonprofit organization), which comprise the Statement of Financial Position as of May 31, 2021 and the related Statements of Activities and Changes in Net Assets, Functional Expenses and Cash Flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 8, 2021.

Internal Control over Financial Reporting

In planning and performing our audits of the financial statements, we considered **Rape, Abuse & Incest National Network (RAINN)**'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Rape, Abuse & Incest National Network (RAINN)**'s internal control. Accordingly, we do not express an opinion on the effectiveness of **Rape, Abuse & Incest National Network (RAINN)**'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* (Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Rape, Abuse & Incest National Network (RAINN)**’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors of
Rape, Abuse & Incest National Network (RAINN)
Washington, D.C.

Report on Compliance for the Major Federal Program

We have audited **Rape, Abuse & Incest National Network (RAINN)**'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on **Rape, Abuse & Incest National Network (RAINN)**'s major federal program for the year ended May 31, 2021. **Rape, Abuse & Incest National Network (RAINN)**'s major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for **Rape, Abuse & Incest National Network (RAINN)**'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program occurred. An audit includes examining, on a test basis, evidence about **Rape, Abuse & Incest National Network (RAINN)**'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of **Rape, Abuse & Incest National Network (RAINN)**'s compliance.

In our opinion, **Rape, Abuse & Incest National Network (RAINN)** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended May 31, 2021.

Report on Internal Control over Compliance

Management of **Rape, Abuse & Incest National Network (RAINN)** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered **Rape, Abuse & Incest National Network (RAINN)**'s internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Rape, Abuse & Incest National Network (RAINN)**'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies.
