Media Mentions

The Washington Post

"We ought to be doing all that we can to encourage [sexual assault survivors] to come forward—certainly not mocking them when they do."

- Scott Berkowitz

abc NEWS

"We don't tell someone who has been robbed that unless they have security footage, they're out of luck. Why would we send such a message to victims?"

- Rebecca O'Connor

CNN

"Over this past year... our numbers have been growing pretty rapidly, but we've never seen anything like this before."

- Scott Berkowitz
